All information contained in this brochure and all related materials are subject to the terms and conditions outlined in the agreement to purchase.

The property is being sold on an "As Is, Where Is" basis and no warranty or representation concerning the property is made by the seller or the auction company. Each potential bidder is responsible for conducting his or her own independent inspections, investigations, inquiries and due diligence concerning the property. All lines drawn on maps and photos are approximate. No liability for its accuracy, errors or omissions is assumed by the seller or the auction company.

Agency: Fraise Auction & Real Estate and their representatives are exclusive agents of the seller.

Special Terms: Fraise Auction & Real Estate will not be responsible for any missed bids from any source. Internet bidders who desire to make certain their bid is acknowledged should use the proxybidding feature and leave their maximum bid 24 hours before the auction concludes. Fraise Auction & Real Estate reserves the right to withdraw or re-catalog items in this auction.

This is a soft close auction. Any bid placed in the final 3 minutes of an auction results in the auction automatically extending an additional 3 minutes. The bidding will extend in 3 minute increments from the time the last bid is placed until there are no more bids and the lot sits idle for 3 minutes. Therefore, the auction will not close until all biding parties are satisfied and no one can be outbid in the last seconds without having another opportunity to bid again.
