b. **Buyer is advised to have property inspected by professional inspector(s).** If improvements on the property have been previously occupied, Buyer may choose one of the following alternatives relative to the condition and quality of the property:

i. Within _____ calendar days after the final acceptance date Buyer may, at Buyer's sole expense, have the property inspected by a qualified person or persons of Buyer's choice to determine if there are any structural, mechanical, plumbing, electrical, or environmental deficiencies. Within this same period, Buyer shall notify Seller in writing of any such deficiency. In the event of any claim or demand by Buyer as a result of inspections, Seller shall within 72 hours of notification declare and commence one of the following options: (1) making said items operational or functional or otherwise curing the deficiency, or (2) amending this agreement by giving Buyer a credit for the cost of curing the deficiency, or (3) declining to make any or all repairs in which case Buyer has the option to continue with purchase or (4) canceling this agreement and refunding Buyer's earnest money deposit or any sums paid directly to Seller. If Seller does not promptly cure all such deficiencies in a manner mutually agreeable and confirmed by written addendum, signed by the parties (either pursuant to parenthetical 1, 2 or 3 above), then buyer may, within 48 hours, declare this offer null and void and shall have the right to all payments returned.

iii. Seller has offered Property in its "As-is" condition and Buyer accepts Property in its "As-is" condition. Even if inspection is conducted, Seller shall not be obligated to replace/repair any item(s) and is not bound to release any Earnest Money or void contract.

c. If acceptance is made by Buyer after inspection under b(i) above, or if no inspection is made, or if offered and sold "As-is", Buyer hereby agrees that by delivery of deed, Buyer accepts property in its "As Is" condition at time of settlement, without warranties or guarantees of any kind by Seller or Broker(s) or employees of either concerning the working condition of systems or appliances, or condition or value of the property and waives Buyer's right to object to its condition or assert any claim related to the property at any time in the future. This provision shall survive delivery of deed to Buyer.

d. **New Construction:** If the improvements on the subject property are under construction or are to be constructed, this Agreement shall be subject to approval of plans and specifications by the parties within _____ calendar days of final acceptance of this Agreement. This offer to buy is not a construction contract. 11. **WOOD PEST INSPECTION.** Buyer may request a pest control inspection by a licensed pest inspector within _____ calendar days after acceptance of this Offer, which shall be done at Seller's or Buyer's expense except as otherwise agreed in writing (if not marked Buyer assumes expense). Should evidence of termites or wood destroying insects be found, the property and structure(s) may be treated by a licensed pest exterminator in an appropriate manner at Seller's option and expense, and shall include all treatment and repair reasonably required by Buyer. Buyer agrees to accept treated and repaired property; or prior to the commencement of treatment and repairs, shall have the option of declaring this agreement null and void and be entitled to full return of the earnest money. If Property is sold in its "As-is" condition, this wood pest inspection paragraph is not applicable to this Offer for Real Estate. This provision does not apply to fences, trees, shrubs, or outbuildings other than garages.

12. **SURVEY.** Buyer may, prior to closing, have the property surveyed at Buyer's expense.
