Centrally located near grocery stores, restaurants, and major retailers, this 2-bedroom, 1-bath home will sell at absolute auction, regardless of price. The property offers approximately 1,064 sq. ft. of living space with an attached 1-car garage and a full basement. The basement is expansive and has experienced past settling; however, it has been professionally improved with a basement waterproofing system, wall anchor plates, and a sump pump. Additional features include a newer metal roof and a desirable corner lot location. While the interior could benefit from cosmetic updates, this home represents a solid opportunity for homeowners, investors, or renovators looking to add value.
